

45CS

The 45CS is designed for pleasure, whether under sail or relaxing at anchor. Your cruising area will be limitless. At the same time the powerful performance of the 45CS will ensure impressive results. Here is a yacht that is genuinely fitted out for multi-purpose sailing. With a choice between two or three cabins and various saloon layout options, your 45CS will also reflect your personal onboard lifestyle. Class, quality, sophistication and great sailing...

The 45CS has it all. What more could you ask for?

Our interior designer, Birgit Schnaase, has nothing left to chance in the design of the 45CS. The sleek lines of the joinery and furniture contribute to the ambient appearance of the saloon, the oak floor contrasts perfectly with the teak cupboards and the lighting plan is well thought through.

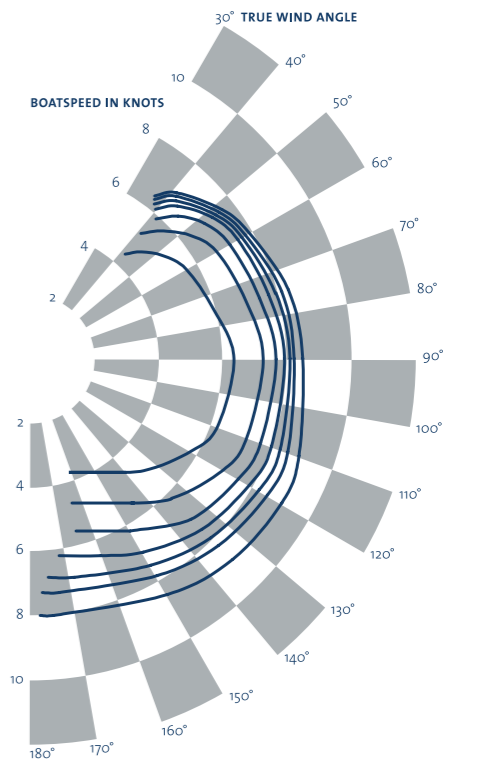

Innovative features are found throughout the yacht. Sail the 45CS and you are guaranteed a feeling of freedom, luxury and safety.
